Join Today!
And bring the arts to
life in Adams County!

Since 1993, the Adams County Arts Council has evolved from a small grassroots group into a non-profit arts organization with 500+ members. Dedicated to cultivating an arts-rich community, ACAC's primary goals are to provide high quality arts education experiences and to help support county arts organizations and artists. Annually the Arts Council serves approximately 32,000 residents and visitors with programs that enrich lives and lift spirits. Our arts education Center offers a variety of classes for children and adults, and features a reception hall, gallery, studio rental, and workshop.

As a member, you receive discounted tuition for our fabulous selection of classes, advance notice to events, and ACAC *E-press* Newsletter. As an artist member, you will have many new opportunities to promote and sell your work.

Membership renews annually on May 1st
